

COVID-19 SAFETY PROTOCOL

New appointment procedures for the safety and protection of our clients & staff

When booking your appointment, we'll ask for payment information to allow contactless checkout.

A COVID-19 Screening and Liability Waiver will be required prior to your appointment.

Please call The Salon from your vehicle when you arrive, so we can give you clearance to come in.
(You'll enter through the back door which is accessible from Weber Street.)

We're glad to see you but won't be able to shake hands or hug you in an effort to reduce contact.

We will take a temperature screening prior to entering the service area.

You must wear a face mask while at the salon. We will provide disposable masks for this purpose.

Beverages and magazines will not be provided during this time.

We'll ask you to place your personal belongings in a container next to you during your service.
(Please bring minimal belongings with you.)

We thoroughly disinfect each service station between clients and have procedures in place to minimize contact and exposure.

Please do not bring any family members or other guests to your appointment.

Due to the added cost of PPE and disinfecting practices between services, there will be a \$10 fee included in your final payment.

All processes are in place with your safety in mind. Thank you!
